Application and IT Support Technician

At Accu-Precision, technology powers more than computers. It supports the systems and processes behind the precision components we manufacture for aerospace, defense, and high-tech industries.

We're looking for a curious, motivated Application and IT Support Technician who enjoys solving problems, exploring technology, and understanding how things work.

Whether you've built your own computer, experimented with programming, developed a website, or simply enjoy figuring out why something isn't working, this could be your opportunity to turn that curiosity into a career.

What You'll Do

- Troubleshoot hardware, software, Windows, and network issues
- Support and investigate issues within our custom-built ERP system
- Work alongside software developers to identify bugs, test solutions, and explore application functionality
- Use databases, SQL queries, and troubleshooting tools to investigate technical challenges
- Help employees across our manufacturing operation solve technology problems

What You Bring

- Working familiarity with Windows and general computer troubleshooting
- Basic understanding of relational databases and SQL queries
- Familiarity with programming concepts and at least one programming language
- General knowledge of computer networking
- Strong problem-solving skills, technical curiosity, and a willingness to learn
- Exposure to MySQL, C#, JavaScript frameworks, REST APIs, or browser developer tools is a plus

The Opportunity

This isn't just about fixing computers. It's an opportunity to gain real-world experience with business applications, databases, and custom software while learning alongside experienced developers.

For someone interested in software engineering, this role offers a foundation to develop technical skills and explore future growth opportunities.

You'll join a clean, climate-controlled, advanced manufacturing environment where technology and continuous improvement are part of our everyday work.

Our culture is grounded in our Values:

- Self-Improvement
- Attention to Detail
- Integrity
- Teamwork
- Communication
- Success

Compensation: $22.00-$28.00/hour

Benefits

- Competitive pay
- Retirement plan
- Paid time off
- Medical/Dental/Vision/Life & EAP
- Training opportunities
- And more...

Accu-Precision is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, age, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status.
